

## Kyndryl Signs White House Pledge to Invest in and Advance AI Education for America's Youth

August 18, 2025

NEW YORK, Aug. 18, 2025 /PRNewswire/ -- Kyndryl (NYSE: KD), a leading provider of mission-critical enterprise technology services, today announced that it and the Kyndryl Foundation have signed the [White House's Pledge to America's Youth: Investing in Artificial Intelligence \(AI\) Education](#). As part of the coalition of more than 60 leading U.S. organizations, Kyndryl is asserting its commitment to supporting America's youth by investing in the critical field of AI education.

"We are pleased to join and support the White House's pledge to invest in AI education for America's youth," said Chairman and Chief Executive Officer Martin Schroeter. "We believe that investing in the nation's future workforce is an important responsibility and an opportunity to equip students with the skills and confidence they need to navigate the AI era."

Kyndryl's commitment to the pledge supports President Trump's vision of [Advancing Artificial Intelligence Education for America's Youth](#), which aims to provide opportunities for students to cultivate the skills and understanding necessary to use and create next generation AI technologies and solutions.

In partnership with the White House Task Force on Artificial Intelligence Education, Kyndryl and other organizations are helping drive an effort to make AI education accessible to K-12 students across the United States.
